Times are estimates. For non-board members, it is preferable to email all comments about a topic beforehand to Danielle Trinh, Secretary of the Board (danielle@roboticsforall.net). Non-board members may still speak during the meeting, by using the “raise hand” feature to talk and waiting to be called on. To ensure that the board meeting doesn’t stray too far from the schedule, the number of non-board members who will be invited to speak about a given topic will be limited.

Estimated Duration: 60 Minutes. The agenda is tentative and subject to change.
